## Our Prairie Spirit Boardroom

Our Prairie Spirit Boardroom is diverse in worldview regarding culture, language, gender identity, ability and interests.

We believe that the lifelong learning we direct and promote, as well as our boardroom discussions and decisions, should take place in the context and with the values of a liberal democratic society.

This is how we **protect**, **direct** and **learn together**.

### **Leading Strategically**

As Trustees, our governance role begins with the strategic plan. Our responsibility is to evaluate all decisions in relation to the strategic plan. As a Board, we understand and are able to provide evidence of the alignment of Board decisions with the strategic plan.

### **Making Decisions**

As Trustees, we share representative perspectives with each other. In our boardroom, we listen and gather information to make decisions.

### **Building Relationships**

As a Board, we grow and flourish when we actively engage in relationships with each other as Trustees and with the greater community.

## **Learning Together**

As a Board, our learning begins with the *My Prairie Spirit Classroom* document. Our meetings are characterized by learning, based on the strong pedagogy modelled in our classrooms. We dedicate time for professional learning, to ensure we are well informed and up to date on issues.

## **Considering Feedback**

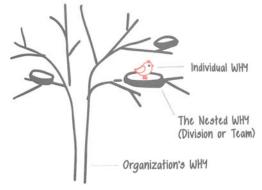

We gather evidence about "how do we know?" and this evidence influences our next steps in allocating resources and leading the school division.

#### Stewardship

# Prairie Spirit Board of Education Compelling Why:

"To inspire learners for life so that together we can learn without limits in a world of possibilities."
