Pam Wieler left the meeting at 12:06 p.m.

Noel Roche presented the decision report regarding the Rosthern School Project. This project has had only minor delays due to COVID-19 and Graham Construction is preparing to turn Rosthern Community School over to the Division on June 15, 2020. A review of the budget has identified some additional savings and when combined with the \$189,000 set aside in the 2019 Division Budget in restricted reserves, it is estimated that there would be more than sufficient funding to cover the cost of this demolition project. Therefore, it is proposed that the remaining restricted reserve funds be applied to the cost of purchasing programming materials for courses not previously offered at the Rosthern schools.

11. THAT the Board approve allocating up to \$189,000 of the unused portion of Division Restricted Reserves set aside for the Rosthern school demotion to be used to purchase additional programming materials for Rosthern Community School.

- Playground Site enhancements (signage, landscaping, etc)
- Sport Surface
- Other (please describe): _____

Attachments:

- SSC motion of support (letter of approval from SCC chair, with approval emails from members in place of motion until SCC can reconvene to make a motion)
- Detailed project plan (design, cost, site preparation, labor and other resources deemed necessary to complete the proposed project.

Resource Plan:

Estimated cost of project	\$ 82,101.00
Estimated Taxes	
GST (5%)	\$ 4,105.05
PST (6%)	\$ 4,926.06
Total Estimate cost of project	\$ 91,132.11
Project down payment (minimum of 25% of total project) Note: we have \$15850.71 being donated from Happy Hands and Fee daycare which now closed and \$6835.33 Fundraising money. All is/will be in school generated.	
	\$ 22,800.00
Balance to be repaid (minimum 20% per year to a maximum of 5 years)	\$68,332.11

Plan for repayment (please attach a separate page if required):

We applied for \$60,000.00 to the Investing in Canada Infrastructure Program Grant, as well as the Shercom grant for the ground cover. We will continue fundraising and include the \$1666.43 per year loan payment in our decentralized budget plan for the next five years. If our grant application for the \$60,000.00 is declined, we would hope for the option to withdraw our loan application until sometime in the future when we are able to raise more money to put toward the new playground. We are requesting this knowing the dynamics of our school community and the difficulty we may have to

raise the appropriate amount of funds each year required for our loan payment. If we receive the grant we are confident paying any remaining loan amounts would not be an issue.

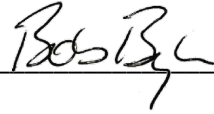

Amy from facilities was in Leask on Monday, June 1st to look at the possibilities for our new playground in regard to location, and landscaping. She indicated a possibility of her team coming out to Leask to support our new playground with some landscaping for the anticipated new playground, and to bring some of our old structures up to code. We are waiting to hear back regarding this possibility. We have \$4000.00 in our school generated budget committed to upgrading existing swings and tires to make them useable and in line with the regulations.
