Free in-school Wi-Fi for students and staff

Students and staff are welcome to connect to Prairie Spirit's **Students&Staff** wireless network with their own technology

Once per device:

Connect to **Students&Staff** with your school credentials — the same username and password that you use to login to computers in your school.

Depending on your device, you may need to set it to remember the connection.

Visitors to the school:

Please see the school's Admin Assistant for credentials
to access the **Visitors** wireless network.

Need help connecting to the wireless network?
Email: help@spiritsd.ca
Phone: 306-683-2931
Submit Ticket (Staff Only):
https://helpdesk.spiritsd.ca
